THE "DIY" PACKAGE FOR THE DO IT YOURSELFER

Being organized is important for everyone – it saves you time and money. That's why S.O.S. is providing a package that will give you the coaching and training you need to get the project done on your own.

The Package Includes:

1. On-site needs assessment up to 90 minutes
2. Verbal assessment including:
 - where and how to begin the project
 - how to cull through the clutter
 - how to avoid getting stuck
3. One 45-minute follow-up coaching call to clarify objectives and get you on your way!

Total Investment: \$295
