Virtual Organizing

Here's a more cost-effective way to get some organizing done in your home or office space. Simply send us pictures of the room you'd like to conquer, and we'll work together virtually to get that room in order!

- We'll start with an initial 45-minute coaching call to go over all the details and iron out a plan.
- You'll also receive three additional 30-minute follow-up calls to review your progress and keep you on track.
